Mrs Watson's Message:

Wow we are now in Week Nine, scary! This term is flying with so much still to achieve! As you will now be aware, the students of Room 19 have begun creating their wiki pages. This is a tool to allow your child to share their learning with you through ICT as a tool. It takes a lot of time and patience for the children to complete their pages until they are satisfied with them so please encourage them to work on these at home! To get on their wiki go to <http://srproom19.wikispaces.com>. Each child has their own username and password for this site. Loads of learning and creativity to be had. Happy exploring!

Have a fantastic week!
